MEMBER BENEFITS

NETWORKING/UPDATES

Being a VMG Member also allows you to be part of the VMG E-group, *FREE OF CHARGE*, so you can be in daily, weekly or monthly contact with other people in a similar job role to you. Common topics include rotas, disciplinary actions, wellbeing, practice management systems, debt collection companies and washing machines!

We recognise that being a manager in veterinary practice can be an isolating experience- and that you might feel at times that you are alone in your work. Being a member of the VMG allows you to attend local regional meetings where you can meet fellow managers and discuss the challenges that face you in practice every day.

You can register to attend for our monthly **Lunchtime Management Update Webinars**. These are *FREE OF CHARGE* to VMG Members, and cover hot topics in the industry. Plans for 2019 include Recruitment and Retention, an update on GDPR and how to finance your practice purchase!

All VMG Members receive a weekly email advertising upcoming events, training, meetings and webinars. On a monthly basis you will receive our full e-Newsletter!

CPD/TRAINING

At the VMG we are committed to providing ongoing training and CPD for our members. As a VMG Member you will receive *GENEROUS DISCOUNTED RATES* to attend our Joint VMG/SPVS Regional CPD Events and Annual Congress.

EDUCATION

We understand that our members take their role seriously, and want to progress by way of gaining qualifications. Being a full VMG Member gives you *ELIGIBILITY* to sit the CVPM Exam (Certificate in Veterinary Practice Management).

By being a full VMG Member, you can also benefit from a *DISCOUNTED RATE* when registering for the ILM Level 3 or ILM Level 5 in Leadership & Management through the College of Animal Welfare.
